PETERBOROUGH DIRECTORY,

INCLUDING

ASHBURNHAM.

1893.

Containing an alphabetically arranged list of Business Firms and Private Citizens, a classified list of Business and Professional Men, and a Miscellaneous Directory of Town and County Officers, Public and Private Schools, Churches, Banks, Incorporated Institutions etc., etc.

UNION PUBLISHING CO., OF INGERSOLL,

PUBLISHERS.

PREFACE.

In presenting to our patrons our first Directory of Peterborough and Ashburnham, we hope it will meet with their approval. A thorough canvass of the towns has been made, and every effort used to obtain the name of every person who should be represented in the Directory.

Mistakes will occur, but we are confident that no more thorough canvass of the towns has even been made.

The Classified Business Directory is a complete mirror of the business interests of the towns, and represents them to the outside world only as a business Directory can.

The Miscellaneous Directory furnishes a large amount of information useful to strangers.

The Street Guide will be found a valuable addition.

Thanking our patrons for the liberal patronage bestowed on our work, we remain

Yours respectfully,

THE PUBLISHERS.
